REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason for allowance of claim 1 is the inclusion of the limitations of

"During the starting of the internal combustion engine, selecting a high-pressure or a low-pressure start as a function of a minimum fuel pressure built up in the injection device within a defined number of cycles, wherein the minimum fuel pressure and the number of cycles are selected as a function of a combustion-chamber temperature, and wherein the injection of the fuel into the combustion chamber takes place in a timed sequence during the starting operation." that the prior art of record neither taught nor suggested.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
